## Registering for Summertime Pack Activities

**Pre-registration is required for all Summertime Pack Activities. To make this easy on everyone, all registrations will be managed through the Database function in Yahoo! Groups. To register:**

- Log into Yahoo! Groups and choose the group “Pack883All”
- On the LEFT side of the page, click on “Database.” In the Database window, you will see the sign up sheets for each of the Summertime Pack Activities. (Except for any that are incomplete. For the Scout Night at the Frederick Keys – fill out the form and submit it directly to Ron Cromwell at [joinpack883@yahoo.com](mailto:joinpack883@yahoo.com)).
- Click on the name of the event for which you are registering (for example, “Fishing Trip Sign Up”). This opens up another window in which you will register for this outing. (For your convenience, the date of the event and the date of the registration deadline are listed.)
- Choose “Add Record” in the top RIGHT corner of the page. This will open up another window.
- Enter your son’s last name and the number of Cub Scouts, siblings, and parent helpers who will attend the event.
- When you are finished entering the information, click the “Add Record” button in the bottom RIGHT corner.
- You are registered! We will see you and your family at the event!
