

# Pack 883 Summertime Pack Activities

Just because school is out, doesn't mean that our fun activities come to an end! Join your Cub Scout friends (and bring a friend who might want to join our Cub Scout Pack) for some great summer activities! *These activities are not mandatory. Feel free to come to the events that interest your son – or take the summer off! Boys who attend at least three Summertime Pack Activities earn the Summertime Pack Award in September.*

There are no restroom facilities at the cave itself, but there are restrooms at the park.

# Registering for Summertime Pack Activities

To make sure we have enough supplies and materials for each event, pre-registration is required for all Summertime Pack Activities.

Adult leaders are devoting a lot of time this summer to run these events. Please respect the registration deadlines. It is not fair to expect the volunteer leaders to scramble to accommodate last minute registrations. Events which do not garner enough interest by the registration deadline may be cancelled.

## To register:

- Go to [www.bsapack883.com/rsvp](http://www.bsapack883.com/rsvp)
- Use the drop down menu to locate the event for which you are registering.
- Choose "Add Record" in the bottom left corner of the page.
- Enter your son's name, check the box marked "Will Attend," and enter the number of Cub Scouts, siblings, and parent helpers who will attend.
- When you are finished entering the information, click the "Add/Update Attendee Record" button in the bottom RIGHT corner.
- You are registered! We will see you and your family at the event!
